# STAY AGILE

## BCG BOB CAMP 2019

We at BCG recognize the benefits of the agile way of working—greater flexibility, freedom and responsibility, which makes us more efficient, and responsive. Break out of your comfort zone—take on our agile training session and challenge yourself! Use your newly acquired skills and experience the speed, thrill, and adrenalin of racing down the world's only natural ice bob run.

Join us to enjoy a healthy balance of workload and fun. Use the communication and analytical skills training to develop your personal abilities and seek solutions in a more agile manner. Then re-energize with social activities and bob sledding sessions and get to know co-students and BCG consultants.

To apply, upload your full application (CV, cover letter, university grades and work certificates from former internships) by January 27, 2019 at:

<https://on.bcg.com/bobcamp2019>

Please note that this training camp is open to all English speaking Bachelors, Masters and PhD students in their fifth semester onwards.

Join the ride!
