Consultant for a Day

Definition of a growth strategy for a specialized pharmaceutical company

You want to get to know the daily life of a consultant up close and personal? You are interested in the pharmaceutical industry and have affinity for strategy consulting? Then support the management of a specialized pharmaceutical company in increasing sales in the pharmaceutical iron market.

Who?

Bachelor students from the third semester onwards,
Master students and doctoral candidates,
with advanced German language skills (C1 or better)

When?

From Thursday, 7 May 2020 – 6pm until
Friday, 8 May 2020 – 6pm

Where?

Roland Berger, Holbeinstrasse 22, 8008 Zurich

Curious? Then apply with your CV, including details of your grades and internship experience, by **19 April 2020** at [join.rolandberger.com/events/Consultant-for-a-day/](https://www.rolandberger.com/events/Consultant-for-a-day/).
