

## **HSG Consulting Days**

### **Discover Deloitte Financial Services Transformation**

**Date: Thursday, 21 October 2021**

**Time: Starting at 12.15 to 16:00 followed by a networking apéro**

Join us and learn how Deloitte shapes the future of Financial Services firms with value chain disruption, operating model and strategy execution, process digitalization, analytics as well as risk, regulation and compliance management.

During the workshop you will get to know how we advise leading banks and insurances with interactive case examples. This workshop is open to all HSG Bachelor and Master students eager to learn more about advisory in the Financial Services Industry and Deloitte. As a participant you are going to have the chance to network with our Financial Services Transformation team and explore internship and full-time recruiting opportunities.

We're looking forward to spending an interactive workshop with you!
